Friday 9th December 2011

2011 NSW Women's 3BBB Team Classic

Despite a wild storm and an Elton John concert the night prior, the 2011 NSW Women's 3BBB State Final was played in good conditions at Cypress Lakes Golf Resort in the Hunter Valley.

21 teams, eight from Metropolitan Sydney and 13 from NSW Country, battled it out over 18-holes to determine the Champions.

Scores were consistent, however it was the team from Gerringong Golf Club who eventually took the spoils, finishing the day with a great score of +14. Our Team of **Julie Bennett, Trish Rott and Michelle Crowe** came in a with a very respectable +5 (14th position).

Good effort girls.
