

# **IMPORTANT NOTICE MEMBERS:**

## **EX SERVICES- LEGACY DAY**

### **AIF CUP**

The Committee and Management have committed to re-instate this very important day back to the level it held in this club for so many years.

So that this can be achieved we are asking for some volunteers to form a sub-committee to plan and run the day. You do not have to be an Ex Serviceman in this role. If you can afford just a few hours each month in the run up to the event in November your input will be greatly appreciated. All monies raised will go to LEGACY\*.

So much of our history and the fabric of this club are owed to our former members (and sadly only a handful of present members) for what they sacrificed those many years ago.

Our aim is to make this a fun day and a great opportunity for new members to forge new friendships and raise some funds for this wonderful organization.

We need some fresh and vital input. So please, if you are interested, come to the meeting next Wednesday 25th August at 5pm. If you cannot make the meeting but would still like to register your interest, please contact:
